# PROBLEM AND SOLUTION

## VISITOR SERVICES:

- Visitors want services like free rides, but it's challenging to make these services efficiently.
- Managing payment for non-subscribed visitors creates complexity.

## HORSE RIDING CLASS BOOKING ISSUES:

- Trainees face difficulties booking classes.
- Scheduling conflicts and unavailability of slots lead to inefficiencies.

## HORSE OWNER'S LOOKING FOR SHELTERS

- Horse owners struggle to find shelter options for their horses.
- Booking shelters is time-consuming and unorganized.
